FROM THE MINISTER

Chris C Nettles

The theme for the April 8th Easter Sunrise Service on Mt Rubidoux is "One Church, One Resurrection." It was my contribution this year, along with \$300 from FCC and volunteering us to help in whatever way is needed. If you were able to see all the congregations in Riverside and Moreno Valley, you would see that we disagree on lots of things. But still the body of Christ, the Church, is one. Even within FCC we have lots of opinions and stages of faith, but we affirm that we are still one in Christ. Though we think we can quit church, the church is still one body. How did Paul say it: "The hand cannot say to the foot, I don't need you!" But sometimes we cut ourselves off from one another when we have been hurt or are too weak. It happens to the best among us. But Christ keeps us connected, even when we have given up on ourselves and others. That's the good news we all need to hear and remember.
